TEAM VISION

Provide an extension of the worship experience, enhancing opportunities for people to experience the presence of God, so that people can reach their full potential in Christ.

SOJOURN CITY CHURCH CORE VALUES

- **Love God:** Be passionate about the presence of God and live a life that reflects the love of Christ (Psalm 24:4).
- **Love People:** Grow relationally with the team and have a genuine love for people (Philippians 2:1-4).
- **Pursue Excellence:** Excel in technical abilities and continually develop the talents that God has given you (Psalm 33:3).
- **Choose Joy:** Find your fulfillment through meaningful ministry opportunities that impact the spiritual growth of those around you (Philippians 2:5-7).

TEAM ROLE

Serve diligently behind the scenes to support the Dream Team and the pastors who serve on stage through songs, messages, or videos. Through our ministry, guests are able to hear the truth of God's Word and experience Him in a cohesive, life-giving worship environment.

- Prepare the technical elements of the Weekend Service. In placing Scripture or song lyrics on the screens, seamlessly transitioning from videos to worship, we enable guests to encounter and grow with God. Technical elements being in place produces spiritual results.
- Facilitate all sound, lighting, confidence monitor, song lyrics, and Message Note displays.
- Create an environment conducive to an experience with God. We have the honor of enhancing the Spirit-filled environment of worship in our church through sound, lighting, and general atmosphere. We are charged with protecting this environment, maintaining a spirit of excellence and authenticity.
- Partner with the entire Sojourn family by inviting and serving guests while authentically representing Jesus.
